

Bayswater Urban Fire Brigade

# "Safe Plate"

Have 'one way' security screws installed on your vehicle

The theft of number plates from vehicles within our community is increasing. We are aiming to deter thieves from stealing your number plates.

Victoria Police inform that stolen number plates are being used by criminals in the theft of petrol from service stations, evade freeway tolls and Road Safety Cameras, and other crime related activities.

In some areas vehicles displaying false or stolen plates commit **over 50%** of petrol thefts.

Your number plates are secured by standard screws. In order to deter thieves from stealing your number plates Victoria Police recommend:-  
**Replace the standard screws with 'one way' security screws.**

"Safe Plate" day is an opportunity to have supplied and installed 'one way' security screws on your vehicle's number plates

**Stolen or missing number plate/s should be immediately reported to your nearest police station**

## Supported by:

Bayswater CFA,  
Victoria Police – Crime Prevention Unit

**Date:** Saturday 26<sup>th</sup> November 2011

**Location:** Mountain High Shopping  
Centre Car Park

**Time:** 10:00am – 2:00pm
